DSHA REPORT – Mr. Ben Addi

- **Budget**
 - Public hearing on the Budget will be at Legislative Hall on November 15, 2017 and Mr. Leahy will be present to represent Council
 - DSHA has been working with a consultant to redraft DSHA's QAP which has been a three-part process:
 - Work Product #1 - Reviewing the QAP and the whole process of allocating tax credits.

- Work product #2 – reviewed some of the attachments to the QAP, i.e. developer fees, design standards, construction standards, underwriting standards, relocation policies and other policies and support of the QAP.
- Work product #3 – reviewing some of the processes with the QAP, i.e. draw downs and internal interaction with the developers and mainly the contractors.
- The Federal Home Land Bank of Pittsburgh will be giving the State of Delaware \$700,000 to tackle homelessness and special populations. DSHA will leverage the HDF funds of \$500,000 for Rapid Rehousing and Homeless Prevention to create a larger pot and include some of their objectives with Delaware’s objectives to prevent Delaware from having two processes going on at the same time.
- Delaware’s Statewide Emergency Rehab program has been recognized by NCSHA. DSHA took \$500,000 from the HDF competitive cycle and designated it for emergency rehab. The funds were distributed through an RFP process in which DSHA selected Milford Housing. The award was for 2017 with the possibility of renewal in 2018 and 2019.
- On October 13th the Governor and his cabinet met at Heron Run for their monthly meeting. Director Ben Addi made a presentation on DSHA, explaining its homeownership, rental, and community development programs.
- The revitalization tour DSHA held on October 23rd with the Governor and some of the State legislators was to view some of the work DSHA does in housing and was a great success. The object of this tour was to show that DSHA does more than just Section 8 and public housing. The focus was on Strong Neighborhood funds which targets vacant properties and also the DDD program. Council was present and represented at each stop, from Wilmington where Ms. Sokolowski and Mr. White were present, in Dover where Ms. Harrington was present and Mr. Leahy was present in Milford.
- Starting January 1, 2018 private activity bonds may be eliminated if the Housing tax reform bill is passed and signed. This would mean, DSHA and other Housing Finance Agencies will no longer be able to issue bonds. This elimination also means DSHA will no longer be able to issue First Time Home Buyer tax credits and will not be able to offer the 4% tax credit.
- Delaware’s delegates are working hard to ensure that private activity bonds are restored in the final legislation.
