[WSFS](#)

[The Danneman Firm](#)

[NCALL Research, Inc.](#)

[Delaware Sustainable Energy Utility](#)

Are You a Delaware Landlord? Help Us End Veteran Homelessness!

Governor Jack Markell [is asking landlords](#) to help in the state's effort to end and prevent veteran homelessness.

"Members of our military make sacrifices every day on our behalf," Governor Markell said. "And even one homeless veteran in Delaware is too many."

Are you a Delaware landlord? Visit [DeStateHousing.com/Vets](#) to enter basic contact information, provide the Zip code of your property and let us know if you have a current vacancy.

We'll put you in touch with nonprofit service providers who are working with veterans, help fill your vacancy and offer more information on how you can help.

By working together, we can end veteran homelessness.

Habitat to Begin Construction on Two Veteran Builds!

Two local veterans of our nation's armed forces will take the next step toward homeownership on August 17th in Dover.

The Wester and Saffield families will partner with [Central Delaware Habitat for Humanity](#) and raise the first wall of their new homes to officially begin construction.

[Habitat for Humanity's Veterans Build](#) is a national initiative aimed at providing volunteer, housing and employment opportunities to U.S. Veterans, military service members and their families.

[CDHFH](#) has a longstanding friendship with the Dover

Air Force Base. Airmen and officers alike volunteer countless hours on Habitat build sites and in the ReStore annually and have even adopted a build, where DAFB provided 100% of the volunteers needed to complete the home.

Central Delaware Habitat is still in the process of raising funds as well as scheduling volunteers to contribute to these builds. If you would like to donate your time or make a financial contribution please call the CDHFH office at 302-526-2366.

When: August 17

Where: 100th Block of N. New Street, Dover

Time: 4 p.m.

Please [click here](#) to manage your preferences.
