Habitat Raises Walls on Two Veteran Homes!

Thanks to everyone who came out and supported [Central Delaware Habitat for Humanity](#) during their Veterans Build wall raising ceremony on August 17th!

CDHFH raised the walls of the Wester and Saffield families through Habitat for Humanity's Veterans Build, which is a national initiative aimed at providing volunteer, housing and employment opportunities to U.S. Veterans, military service members and their families.

Thanks to all the volunteers, sponsors and contributors for making this build possible.

Congratulations!
