Our mission is to efficiently provide, and others to provide, quality, affordable housing opportunities and appropriate supportive services to low-and moderate-income Delawareans.

We've done some great work throughout the year. We've played a huge part in helping renovate old and new businesses in Delaware's downtowns through our Downtown Development Districts program, we've helped effectively end Veteran Homelessness and we've partnered with many organizations to help revitalize communities throughout the state.

For more information about our programs, upcoming or past events visit our [Facebook](#) and [Twitter](#) page
