## New Home4Good Funding Fights

## Homelessness

To assist nonprofit organizations working on homelessness initiatives, DSHA and the Federal Home Loan Bank of Pittsburgh have partnered to support stable housing for individuals and families who are homeless or at risk of homelessness.

The new Home4Good program is now accepting applications for funding projects that include Rapid Re-Housing, Homelessness Diversion, Homelessness Prevention, and Innovation. Home4Good has \$1.2 million in funds available, an increase of \$700,000 over prior homelessness funding initiatives. Home4Good will now fund all activities that were previously supported by the Housing Support grants from the state Housing Development Fund.

Full documentation, including a list of nonprofit categories that are eligible to apply, is available at the Home4Good webpage.
