DSHA Success Story

Joseph and Donna St. Onge recently closed on their new home, and without the help of DSHA this wouldn't be a possibility.

After many years of overcoming hardships in their personal lives they began the journey back into home ownership! It was an emotional time for them when they received the keys to their new home thanks to DSHA.

Thank you to Tracy Chongling with Acopia Home Loans for sharing this success story.

Are you a realtor or lender with a DSHA success story? We'd love to share it in upcoming highlights!

Request for Proposals to Conduct a Statewide Analysis of Impediments to Fair Housing Choice

The Delaware State Housing Authority, three local jurisdictions, and five public housing agencies (PHA) are collaborating to conduct a new Statewide Analysis of Impediments to Fair Housing Choice, or AI.

This study will serve as a cornerstone in developing strategies, programs and policies to promote access to opportunity, improve quality of life and help DSHA, local jurisdictions and PHAs to meet their responsibility to affirmatively further fair housing under the federal Fair Housing Act of 1968.

The collaboration is seeking consultant help for this analysis through a Request for Proposal (RFP), which is

available on DSHA's website
at www.destatehousing.com and the State of Delaware
Bid Solicitation Directory
at www.bids.delaware.gov. **The deadline for proposals
is 4:00 p.m., local time, on November 5, 2018.**

Questions regarding the RFP must be received by 4:00
p.m. on October 19 and can be submitted to Karen
Horton
at KarenH@destatehousing.com. TTY/ASCII/VOICE/VCO
users may utilize the Telecommunications Relay Service
(TRS) at (800) 676-3777.
