2019 Point in Time Count: Volunteers Needed

Housing Alliance Delaware's 2019 statewide Point in Time (PIT) Count will take place on **Wednesday, January 30 and the following morning Thursday, January 31.**

The PIT Count is an important opportunity for communities throughout Delaware to gather critical information about people and families experiencing homelessness. The information gathered on the night of the PIT is used to help improve our local and state-wide response to this crisis.

Each year, hundreds of people throughout Delaware help make the Point in Time Count a success. Prior to

the PIT, all volunteers will receive a one hour training in the county where they elect to serve.
