DSHA Does More!

DSHA employees were hard at work during our annual volunteer event for Central Delaware Habitat for Humanity. This year's volunteer event was held at the new location of Habitat's ReStore. It was a fun day as employees volunteered their time by painting walls and doors to help bring the new facility to life.

Located at 2311 S Dupont Highway in Dover, Habitat's ReStore is a home improvement outlet that raises essential funds for Habitat building projects. The ReStore sells a wide variety of new and gently used household and construction items at significant discounts off retail price. It's open to the general public for sales and donations, and all of the proceeds benefit Central Delaware Habitat's affordable home construction in Kent County. The grand opening and ribbon cutting ceremony for the new ReStore site will be held on June 1.

Our employees were happy to lend a hand to our friends at Central Delaware Habitat for Humanity!
