**Habitat for Humanity of New Castle County Celebrates Completion
of 250th Home!**

Habitat for Humanity of New Castle County celebrated the completion of its 250th home as well as the dedication of the homes of the four families slated to move into their Hope Run project!

The proposed project is for the new construction of four townhomes at 925 North Church Street in Wilmington which will become 925, 927, 929 and 931 North Church Street.

DSHA provided a portion of the funding for this project from our Housing Development Fund. Habitat has been an important partner of ours for many years, and we are proud to support the construction of these four new homes.

Congratulations!
