New Home4Good Funding Fights Homelessness

DSHA and the Federal Home Loan Bank of Pittsburgh (FHLBank Pittsburgh) are pleased to announce the second year of Home4Good grants available to selected nonprofit organizations to support initiatives in Delaware that lead to stable housing for individuals and families who are homeless or determined to be at-risk of homelessness.

This collaboration, allows activities previously supported by the Housing Development Fund Housing Support grants to continue through the Home4Good program. DSHA and FHLBank Pittsburgh have contributed a combined total of \$1.2 million to the Home4Good program.

The Home4Good program will support the following homelessness programs: Rapid Re-Housing, Homelessness Diversion, Homelessness Prevention and Innovation programs. Innovation support programs will provide innovative solutions in addressing homelessness making the delivery of services more efficient or effective.

The Home4Good guidelines and application are available for review at the following link:

Tonight: Come out to Sussex County's public forum on housing issues

**Sussex County
Government**

County officials will host a public forum beginning at 6 p.m. **Tuesday, May 21, 2019**, to provide an update and gather ideas, suggestions and perspective from residents, property owners, employers, housing advocates, builders, and others about the county's housing needs. Topics to be discussed include affordability, workforce housing, and homelessness, among others.

The meeting will be held in County Council chambers, located inside the County Administrative Offices building, 2 The Circle, in Georgetown. **The meeting is open to the public.**

The forum is a chance for community members and other stakeholders to voice their concerns as the County embarks on a months-long study of housing needs in southern Delaware.

For more information, contact Brandy Nauman in the Sussex County Community Development & Housing office at (302) 855-7777.

DSHA Does More

Earlier this month, DSHA was happy to celebrate the newly renovated building at 113 W 8th Street in Wilmington. The property, now known as The Hen House, consists of two luxury 2-bedroom units with retail and office space on the first floor. The building had been a vacant, neglected and blighted property for over 10 years. But thanks to Mathew Ninan, of LRS Capital Partners, funds from our Downtown Development District (DDD) program were used to bring the building back to life.
