Delaware Affordable Housing News and Events
June 11, 2019

June is National Homeownership Month

It's a time to celebrate the benefits that homeownership brings to families, neighborhoods, and communities across America.

Priscilla recently relocated to Delaware from the West Coast and didn't initially think that she would be able to own a home so she started out by going into a short-term rental property while getting herself established here in Delaware.

Priscilla was able to use [DSHA's First-Time Homebuyer Tax Credit Program](#) to purchase her first home.

Let's celebrate the moments of joy that take place at home, and thank our partners who strive to make the dream of owning a home a reality.
