

We are pleased to provide this approved list of Delaware State Housing Authority (DSHA) General Contractors who are eligible to bid on DSHA-financed projects, with the understanding that their firm's bonding capacity shall be certified, in writing, from their bonding company at the time of the bid invitation. This approval is for DSHA's purposed only and is limited by the information provided by individual firms. DSHA makes no representation or opinion regarding a firm's current or future standing regarding legal matters or financial liquidity.

Also, please keep in mind that General Contractors must re-apply annually for DSHA's certification, which will be one year from the date of the approval letter.

Contact information for each approved General Contractor is provided below. Please contact them directly if you are interested in having their company bid on your project.

Firms listed here are also eligible to be selected as the General Contractor under Option 1 of the Bidding Protocol/Requirements included in the 2022 Minimum Construction/Rehabilitation Standards.
