

2010 LIHTC Application – Equity Notice

DSHA is requiring **all** applications submitted for the 2010 LIHTC application round to use an equity factor of **\$0.60 (net)** as the tax credit equity contribution amount. DSHA will use 0.60 cents to underwrite all applications. LIHTC applications submitted in the 2010 round must be financially feasible using the \$0.60 equity factor assumption **without** making use of the 30% State Eligible Basis Boost.

Please note all other requirements, limits, procedures, etc. of the QAP remain unchanged.
