

LOW INCOME HOUSING TAX CREDIT (LIHTC) PROGRAM

2025 Annual Funding Round

The Delaware State Housing Authority (DSHA) is pleased to announce that it will be authorizing the allocation of Delaware's Low Income Housing Tax Credits (LIHTC). Delaware's share of per capita plus returned and carry forward components of LIHTC is currently estimated to total **\$3,180,276**.

DSHA has revised the 2025-2026 Qualified Allocation Plan (QAP). The QAP was completed with the assistance of our tax credit stakeholders to identify current housing needs and market conditions. Applicants must review the QAP, the Guidelines to the QAP, and the LIHTC application thoroughly. In addition, all applicants applying for any DSHA financing should review the DSHA Funding Supplement.

Applicants must complete all applicable questions and supply **all** documents/exhibits that are required in the application package, even if DSHA has received similar documents in the past or otherwise has the information on file (i.e. financial statements). DSHA staff will be available for technical assistance prior to application submission. However, all questions regarding intention or interpretation of this QAP **must be submitted in writing to DSHA no later than fifteen (15) days prior to the submission deadline date for clarification.**

All applicants must complete DSHA's LIHTC Application Part I, LIHTC Pro-forma Part II, LIHTC Points Worksheet Part III and all required exhibits and provide one written complete application and one complete electronic copy (on USB flash drive). The Application Exhibit Checklist provides a complete list of attachments/exhibits, which are to be appropriately labeled and submitted with the printed version of the LIHTC application. Only complete application packages will be considered for an allocation of credits. A package determined incomplete will be returned to the applicant and the application will not be eligible to compete for tax credits in the current round.

*A development which does not initially appear to rank high enough for a reservation of tax credits but is subsequently considered for a preliminary reservation as a result of the withdrawal of a higher-ranked project, will be given a new timetable in order to allow reasonable time to obtain the necessary financial commitments and/or documentation required by DSHA before making an allocation of credits. DSHA reserves the right to amend any of the above dates.
